

COVID-19 Repayment Assistance Program for Personal Accounts

The purpose of the **407 ETR COVID-19 Repayment Assistance Program (the "Program")** is to assist qualifying customers and businesses, who are currently experiencing financial constraints related to the COVID-19 Pandemic, with relief through debt repayment solutions.

PROGRAM DETAILS:

Upon admission to the Program, any applicable plate denial will be lifted <u>upon payment receipt of 20% of your outstanding balance</u>, at the discretion of 407 ETR. While you are enrolled in the Repayment Assistance Program, any interest on your unpaid balance will be suspended. Repayment terms will be agreed upon based on your balance owing and ability to pay. Repayment plans are not to exceed 12 months.

If plate denial is not applicable in your situation, the 20% payment will not apply.

If your application to the Program is unsuccessful, your obligations, responsibilities, liability and status in respect of your said account will remain unchanged.

ELIGIBILITY:

You are eligible to participate in the Program only if, on the date of your application, you meet the following criteria:
